

Amersham Town 2: Holmer Green 3.

Berks & Bucks: County Senior Cup

This was an entertaining game played before a good crowd between near neighbours with the visitors triumphing.

After nineteen minutes the home team lost the ball in midfield and the Holmer forwards took full advantage with Jeffrey Fordjour opening the scoring. Five minute later, however, Amersham's Sean Aram latched on to a through ball for the equaliser.

The game was then fairly evenly contested with Amersham enjoying slightly more possession but it was Holmer Green who again took the lead on thirty eight minutes when James Mangan.drove home from twenty yards. Amersham then exerted constant pressure until the break but were unable the add to their score.

Early in the second half Holmer missed an excellent chance to increase their lead but did so on sixty one minutes when Joshua Peck beat the offside trap to fire home. Town then pushed forward and reduced the arrears when Ryan Austin scored from a corner but they were unable to force a draw.
